

Appendix: Price list and overview of billing types for the Porsche Connect "Porsche Charging Service" according to Section 4.2 of the Terms of Use

The purchaser of a new Taycan vehicle will receive the Porsche Charging Service for free for 3 years after booking the service. At the end of the free service they will have the option to purchase charging services for a fee. All users of the Porsche Charging Service will be subject to fees for overages and idling as set forth below.

Every month you will receive an aggregated overview of your costs based on the following price overview:

Power Class	Flatrate Charging	Price per Minute after flatrate charging	Grace Period	Idle fee after grace period per minute
DC and HPC charging (up to 350 kW)	30 minutes	\$0.25	10 minutes	\$0.4
AC charging (up to 7 kW)*	60 minutes	\$0.03	10 minutes	\$0.4
